

**Car parking.** Park inside the Wimbledon Park Road entrance. You may alternatively find a limited amount of space at the Revelstoke Road entrance. Please do not park in Wimbledon Park Road near the entrance to the park.

**Trains.** Nearest stations Southfields and Wimbledon Park (both District Line).

**Course.** The takeover area is in front of the stand on the athletic track. Head straight up off the track along the footpath towards Wimbledon Park Road. Turn left along Wimbledon Park Road, and after it becomes Church Road there begins a steep climb past the All-England Tennis Courts, which are on your right. Ignore Rectory Orchard and Steeple Close but turn left into St Mary's Road, and then left again along Arthur Road. Turn left again at Home Park Road (it's all down-hill or flat from here). When opposite the Wimbledon Park entrance near the tennis courts, a marshal will send you back into the park. Follow the directions right around the edge of the park. Do not run through the Revelstoke Road Car Park but follow the directions around it. When back at the Wimbledon Park Road entrance, turn left down towards the running track. When entering the arena, turn left onto the track and then follow the track the "wrong" way round to the take-over/finish in the home straight.
